NJDEP has not had a chance to review this report - I would like to grant them an extension. Please let me know if I can extend the due date for comments to 10/20 (and correspondingly move the call to Oct 12). Or propose another date.

Note that I have re-numbered my summary (from 7/21 e-mail) of the Data Evaluation Reports to better reflect what Louis Berger has on their list. If the place holder papers don't materialize, then all of these will have to be renumbered at the end.
